**Pavilion Charity Grand Variety Show  
sell out success**

The pavilion charity variety shows on 11<sup>th</sup> July were a sell-out success. Over 240 people were entertained by a cast of 78 performers with a programme packed full with everything from the East End to the South Pacific, Vicar of Dibley to Hanky Panky. It really was a case of Anything Goes (quite literally!). The event raised £1,200 through ticket sales and raffles towards the development of the new sports facilities for Reeth & District Athletic Club. Never mind Britain's got talent, I was overwhelmed by the exceptionally high standard of dancing, singing, playing and acting that we have within Swaledale and Arkengarthdale. All the performers worked tirelessly to ensure their acts were slick, polished and ultimately great entertainment. My thanks and appreciation go to all the performers, Paul at the Post/Box/Printing Office, Janet Seymour, Chris Curry, The Memorial Hall committee for hosting the events and of course the audience who were responsive, laughed, clapped and genuinely looked as though they were having a fabulous time. It really was a privilege to work with so many talented and professional performers with great community spirit.

**Gunnerside WI : 17<sup>th</sup> July 2009 Meeting**

At our July meeting we all enjoyed arranging the flowers of summer. Jean Bingham, one of our members and a talented plantswoman and flower arranger, demonstrated how to arrange a simple bunch of mixed flowers into simple, yet elegant arrangements. We all tried to emulate her skill, with varying degrees of

success, but with a great deal of enthusiasm. After dealing with our business, including a report about our success mid- summer tea and winning the High Dales WI Group quiz, we enjoyed a sociable chat over tea and coffee. There will be no meeting in August, but we will be holding our annual coffee morning on Monday 31<sup>st</sup> August at Gunnerside Village Hall, when we will be selling homemade cakes and preserves. Do join us.

#### THE SWALEDALE MUSEUM, REETH

Our Knitting Day was a great success when over twenty of us learnt how to create beautiful samples of Estonian lace knitting. Thanks to June Hall we were able to have the wonderful American knitter Nancy Bush with us all day, plus two inspiring felt makers from Lithuania. Thank you to all those who came along and supported this event. We are already planning our third annual knitting day for 2010, and also thinking of having a quilting day. Our second 'Conversation on Craft' is with patchworker and textile artist JENNY DAVIES on Saturday 8th August at 7.30 pm in the Museum. The third is with the 'greensmith' MICHAEL KUSZ on Saturday 22nd August. Come and find out how these celebrated local craftspeople work and what inspires them, see examples of their work and what new avenues they are exploring for future projects. Our heritage walks began in July, and continue in August with 'Mining in and around Sleil Gill' on Monday 3rd August 2009. Discover levels, hushes, dressing floors and a crushing mill in the dramatic scenery of Sleil Gill. Meet the leader of this walk Alan Mills in the public pay & display car park at

Langthwaite at 2pm. On Monday 17th August 2009 Neil Dyson explores 'Lead mining around Langthwaite' via the extensive surface remains of Arkengarthdale's industrial past including hushes, mines and the smelt mill. Meet in the public pay & display car park at Langthwaite at 2pm. Our last summer walk is on Monday 31 st August 2009 when Alan Mills will be 'Uncovering Swaledale's Past'. Discover evidence of human occupation in Swaledale from the Bronze Age through to post-Roman times, spanning 4000 years or more, including roundhouses, field systems and burial cairns. Meet at the Swaledale Museum, The Green, Reeth at 2pm. Each walk is approximately 3-4 miles over moderate terrain, lasting 2 - 3 hours. Bring a drink, and wear suitable clothing and stout footwear. Please always check the arrangements with the Museum (01748884118) before setting off. Note that the curator's e-mail has not been working for over 6 weeks, and Orange does not seem to be able to solve the problem! Come to the Museum on 12 August at 7.30 pm, to hear Reuben Frankau talk on 'The Bus Up the Dale - The Story of Percivals' . This is a rare chance to hear some of the fruits of Reuben's extensive research on the subject for his forthcoming book. On 16 September at 7.30pm, the great mining historian Mike Gill will be talking on 'Lead Mining in Swaledale and Arkengarthdale'. We predict that these talks will be very popular, we cannot reserve seats, and we have a limit on audience size. Do make a note in your diaries that in September we are having a           Cont on page 6 :

**Cont. from page 5 :** 'Make Do and Mend Long Weekend', 18th - 20th in the Museum, when you can remember or learn anew how to darn, French knit, use fabric scraps and generally have fun. On the 19th September at 2pm Barbara Burman who came last year to talk on our 'Pockets' will give a lecture on Sewing Machine and Home Sewing.

**Bedale Archaeology & History Society's** next event is at 7.30 pm on **Tuesday 4 August** in Bedale Hall and is a talk on **Vindolanda** by the Director of Excavations, Andrew Birley.

Our **10th anniversary celebrations** are on **Tuesday 1 September** at 7.30 pm in the beautiful ballroom of Bedale Hall, where our President, field archaeologist Percival Turnbull, will be giving a talk entitled *Forty Years of Old Rubbish - memories and anecdotes of archaeology and archaeologists* followed by a really super raffle, refreshments and music.

Arkengarthdale CE School News  
Summer 2009 350<sup>th</sup> Anniversary

I thought the 27<sup>th</sup> June would never really arrive but arrive it did and far exceeded any of the expectations I had for it. It seemed as if I had been reading and typing up log books for ever, telephoning and chasing up to the point of utter frustration, becoming excited as new ideas for work for the children to do kept leaping out at me, worrying I may have left someone off our invitation list... But as I quietly walked through my school on the eve of the 27<sup>th</sup> I knew all the efforts had paid off. I was so proud of my school, my staff and my children and was ready to enjoy and celebrate the occasion in style. I hope you enjoyed the day as much as we all did. It was lovely to see so many people and chat to them about their memories and how school has changed. It was great to see all the children, future and present (and even some past!) thoroughly engaged in a wealth of activities. It was rewarding to be part of a community that pulls together. It was uplifting to hear very positive comments about my school and lastly it felt very special to know that I was instrumental in helping to secure Arkengarthdale School for the future, if not the next 350 years! A huge thankyou to everyone involved. Our music evening was great fun and the children entertained their guests for well over an hour with their repertoire of singing, playing instruments and dancing. They sang songs from their new CD which can still be obtained from the school (01748 884335) for £8. If you were lucky enough to see us on Look North you would have heard an extract from it - our moving song written

and composed by Rod to support our Book of Remembrance. The traditional school dinner evening hosted by the Friends was a very enjoyable, successful and fitting finale to our celebrations - thankyou for all their hard work. As well as the mammoth celebrations, alongside we managed to survive an Ofsted and a Diocese inspection, the results of which were very successful - outstanding for: pupils feeling safe, adopting healthy life styles, pupils contribution to the school and the wider community, the schools engagement with parents, the effectiveness of care, guidance and support, the distinctiveness and effectiveness as a C of E School, meeting the needs of all learners, the impact of collective worship and the effectiveness of leadership and management of a church school. Once again there is much to be proud of. So as we approach the end of an extremely busy and successful year we say goodbye and thanks to our year 6 and get ready to welcome our new starters. I feel confident we can leave this year very proud of our achievements and approach the new one with renewed enthusiasm to fulfil our aim of smiling, sharing, caring and making Arkengarthdale CE School an exciting place to learn, and grow together. A very sincere thankyou to my very hardworking staff and children and to everyone who supports my school. Have a good summer break.

### Crime in the Two Dales

Last month we saw very few incidents occur around Swaledale and Arkengarthdale, thankfully. However a quad bike in the Downholme area was stolen and an attempt was made to break into a shed. A small grass cutting machine from the Lowenthwaite Pumping Station was stolen. It was also brought to my notice that the small stall at the road side in Grinton had the eggs, cool box and monies stolen! Whilst parked on the police parking bay at Leyburn, a police vehicles' aerial was bent which will have an impact on communications and could render the vehicle not fit for use and also be of cost to the tax payer. Any one with any information will be treated with the strictest confidence. May I remind you that if caught whilst driving not wearing a seatbelt (unless classed as exempt) the fine has now increased from £30 to £60. There will be regular checks over the next few weeks. As well as the regular Surgeries at Hudson House, times and dates are advertised on a blue/white

poster displayed on the windows at the front of the building, you can also contact myself via the e-mail account [tracielee.taylorpage@northyorkshire.pnn.police.uk](mailto:tracielee.taylorpage@northyorkshire.pnn.police.uk). Inside the entrance to Hudson House on the left there is a room that provides various information relating to the police and there is a black letter box with leaflets nearby that can be filled in by yourselves and posted there and then, if you have any issues/comments that you would like to be dealt with. By posting the leaflets in the post box I will get the messages or information because it gets checked regularly.

### SWINE FLU

Sorry to put a damper on the lovely summer but I do need to keep you up to date on the latest news regarding swine 'flu. So the message this month is quite a serious one. Sadly, swine 'flu is on the increase and the government has officially given it pandemic status. The problem with swine 'flu, and the reason it can spread so quickly, is that because it is a new virus, no-one has any natural immunity to it and everyone could be at risk of catching it. Whilst many of us will experience the usual 'flu like symptoms and be over it in a few days, it may affect others more seriously, particularly the very young, the elderly and those who suffer from chronic diseases. There are, however, things we can do to try and contain it. You should have already received through your door, leaflets from the Department of Health with advice of what to do, and what not to do, but feel free to collect one from Reeth Medical Centre if you can't place yours. If you think you may be suffering from swine 'flu the most important thing is to keep away from other people. In other words **STAY INDOORS!** Don't hesitate to call us to speak to one of the doctors if you have two or more of the following symptoms: High fever, cough, runny nose, sore throat, headache, chills, body aches, fatigue or tiredness, but **PLEASE**, don't come to the surgery. If you are diagnosed with swine 'flu by the doctor, you may need to take antiviral medication and it is important that you receive your medication as fast as possible. However, antiviral medication cannot be supplied from the Dispensary at Reeth Medical Centre. Instead, the NHS has appointed designated collection

points in the region. A prescription or voucher for the antiviral medication can be collected from Reeth Medical Centre by a friend and taken to one of these antiviral collection points. **Who can collect my voucher and where can I get the antiviral medication?** Once your diagnosis has been confirmed by the Doctor, please appoint your own 'Flu Friend' and ask them to come to the surgery to collect your prescription or voucher. **Do not under any circumstances come to collect it yourself.** The staff at here will tell your 'Flu Friend' where the nearest antiviral collection point is - and will also give directions. The authorised voucher can only be taken to one of the named pharmacies or collection points. **Won't my 'flu friend' need medication as well?** No. People who are in contact with (or who think they might have been in contact with), someone who has swine 'flu, do not need antiviral treatment unless they themselves are unwell. Above all, the message is: **Protect yourself. Protect others.** Call us on 884396 or the Out of Hours number is: 0845 056 8060.

**NEED TO SEE A DOCTOR? NOT REGISTERED YET?** There are people living in the area who are not yet registered with a doctor, for a variety of reasons - people who believe themselves to be in the rudest of health, or who simply haven't had the time to come and fill in a couple of forms. Being registered with a doctor is now more important than ever before, as the threat of the Swine 'flu pandemic increases, it could cause unnecessary delay in obtaining vital antiviral medication. In addition, the National Health Screening Services use local GP Practice lists to create invitations to attend for breast, bowel and cervical cancer screening. If you are not registered you may slip through the loop. It is important to be

## The Children's Society

The Children's Society is a leading national charity, driven by the belief that all children deserve a good childhood. It works with children who are at risk and on the streets. It relies heavily on voluntary contributions. One way money is collected is by a volunteer becoming a Children's Society Boxholder. Each year houseboxes raise over £2million - that is enough to cover at least four projects' running costs for an entire year. Following a service in Grinton Church in August 2008 a number of people became Boxholders. It is now time for the annual opening of our boxes so there will be a tea party at the Vicarage, Reeth on **Wednesday 19<sup>th</sup> August from 2.00 pm - 4.30 pm** when the money will be counted. If it's not possible for you to come that afternoon you may leave your box at the Vicarage on Tuesday 18<sup>th</sup> or on Wednesday morning. Alternatively please contact Pauline Oldershaw on 886790 for other arrangements to be made. If you are not a box holder, but would like to join us for a cup of tea, you are very welcome. The support of Boxholders makes all the difference to a child like James, whose stepfather threw him out after an argument about his mum. James said "I didn't want to go but I had no choice. I had nowhere to go. I had no money, no clothes - nothing. That first night, I slept in a graveyard. I was really cold and very frightened." Thanks to the generosity of supporters, the Society was able to help James find somewhere safe to stay, and someone for him to talk to about his problems. The Society set

MUKER SHOW  
Wednesday 2nd SEPTEMBER

The League season has finished and we prepare now for next season. Training for Under 9's with Under 11's continues on Friday evenings at Gunnerside School. We have already fixed matches for next season's Under 8's and Under 10's (age at 1st September 2009) at Barnard Castle School for Monday 14 September after school. Tea is promised! We welcome new players, boys and girls aged 5 to 15 even if you have not really played before. Come and give it a try. Our aim is to include everyone regardless of ability. We also welcome anyone prepared to help, not necessarily on the field. This could include transport, 1<sup>st</sup> Aid, helping get pitches ready or merely being prepared to be in attendance - we require a second adult in attendance at every session.

We, or should I say, you, collected 6090 Tesco vouchers and our order for equipment has gone off.

The Under 10's (all but two under 9) entered the football tournament at Catterick Village Gala. A draw against Catterick Village was a good start for our young team, Richmond Town A team then beat us 6-0 but it was their Under 10 Teesside League team. 2 early goals from Nick Lanier and Nathan Tulip gave us an excellent win against Harrogate but we went down 3-0 to Richmond Town Under 9's although again it was their Teesside League squad. All in all a very good day. Matthew Short made a particularly good debut in goal.

### Athletic Club Development

I would like to thank two magnificent fund raising events :

The concert on 11 June, splendidly organised by Jill Lundberg, was a great success. Not only did it raise £1373 for the "Pavilion Fund", it was also particularly enjoyable. I shouldn't pick out individuals when all were so good but I cannot help but remark on Mairi and "Shorty" who participated in a rounders tournament for Reeth School on Friday followed by a dress rehearsal, performed in 2 shows on Saturday and then played for 2Dales in an Under 10' s football tournament on Sunday. I hope they were able to go back to school for a rest on Monday. Who says today's children are couch potatoes sitting over their computers. This leads on to the second event. Daniel and Elliott Johnson did a sponsored walk from Tan Hill to the CB and raised an amazing £450. This is earmarked for the Junior Training Pitch which is part of the proposed development. Well done Daniel and Elliott. I hope you didn't let on to anyone that Jem and I only joined you for the last mile!! David Williams 884650

## St. Mary's Church. Muker

### OPEN GARDENS DAY

Sincere thanks from members and friends of St. Mary's Church, Muker to everybody who visited the gardens in the Muker and Keld area open to the public on Saturday, 4 July, and/or helped with the event in any way.

The hard work, and particularly from those who permitted their gardens to be open, resulted in a sum of well over £1,000 to be used for Church funds and the new Churchyard extension. Thank you to all.
