More Tea Vicar?

The vicar will host afternoon tea and cakes at the Vicarage on the afternoon of Tuesday 17 Feb from 2-5pm. All are very welcome so do come along and bring your friends.

Christian Aid

The collection at the Village Carol Service in Low Row for Christian Aid raised £120. Thank you very much indeed for your support.

The speaker at our CA Week service last May was Jacques Miaglia from the Democratic Republic of Congo. He recently sent an urgent request for more funds to help people start again and recover from the trauma of war so we have sent a total of £150 to help with this work which includes distributing food supplies, improving local water supplies and sanitation facilities, providing seeds and tools to help people grow extra food and supporting people to earn vital income and find new livelihoods. More information can be found on the Christian aid website. http://www.christianaid.org.uk/email/congo_oct08.html

Our AGM is on Wednesday, March 11th 2009 at 2.00 pm at Low Row URC. Everyone is welcome to attend.

Pauline Oldershaw, Secretary.

Gunnerside WI January Meeting Report

Snow, icebergs, glaciers, volcanoes, lava, geysers, waterfalls and lakes featured prominently in the fascinating and illuminating talk member Marjorie Daniels gave at the January meeting of Gunnerside WI about Iceland, the Land of Fire and Ice. As well as her slides, Majorie also showed her adventurous

spirit with descriptions of a trip on a skidoo across a snow field and on the back of a tractor to view seabirds. Marjorie's talk followed a demonstration of the benefits the Two Dales Live Video Project could bring to our communities, especially those who find it difficult to travel far. We learnt how from Gunnerside Village Hall residents can remotely get advice from the Citizens Advice Bureau, renew concessionary bus passes and will soon be able to have a medical consultation. We will have our traditional pie and pea supper at our next meeting on Thursday 19th February, followed by a talk by Janet Jenkinson of a WI trip to Ireland. Do join us; new members are always welcome.

THOMLINSON TRUST

The Trust provides financial support to individuals and groups based in the Gunnerside area,

for education, training and related activities.

Applications are now invited for grants to be awarded in early March 2009.

Please write for an application form,

enclosing a

stamped addressed envelope, to:

The Secretary,
Thomlinson Trust,
Greenacres,
Gunnerside,
North Yorkshire,
DL11 6LE

or, send an e-mail to:

davidcrapper@yahoo.co.uk

Completed application forms

should be returned to the Secretary by the 3rd March 2009.

Crime in the two Dales

On behalf of North Yorkshire Police I would like to wish you all a prosperous and happy New Year.

During the last few months there have been 10 incidents relating to the theft of quad bikes across the Dales including Low Row and Arkengarthdale and four persons have been arrested in connection with this type of offence. The quads can be loaded into vans as well as driven off along the roads. Any suspicious vehicles and persons are investigated but it is essential to get the vehicle registration marks, as well as reporting the incident/s Immediately on 0845-60-60-247. this will then give more time for a deployed officer to reach the location concerned.

If there are reports of adverse weather conditions we strongly recommend that individuals avoid hazardous routes and try to pick an alternative route that is safer or simply turn around rather than continuing. Working with Richmondshire Community Safety Partnership which includes the Fire Brigade, Dale and Vale and the Youth Council, we are hoping to attend, coffee mornings or luncheon clubs to promote safety and home security. Anyone interested in all the partners attending a full event or just wanting us to stay in the background with stalls, please contact myself via Hudson House or leave a message at Leyburn Police station. During the next few weeks I will be distributing some Information packs relating to the afore mentioned partners which will be made available to everyone. Inside the packs there are questionnaires that we would like you to complete because your opinions are important to us. Packs can be

found at Hudson House, the Post office and other local establishments and they will be distributed personally by myself. Many thanks again to you all, for your support. PCSO 5550 Tracie Lee Taylor

'How Pleasant to Know Edward Lear'

Edward Lear first attracted attention by his paintings of birds and later turned to landscapes producing watercolours of great delicacy. He travelled to Greece, Italy, Egypt and India and published books on his travels with his own illustrations. His *Book of Nonsense*, which popularised the limerick, has never been out of print since its first appearance in 1846. This warm and delightful person - 'A man of original and versatile genius' - an ornithologist, diarist, musician and traveller expressed his simple philosophy through timeless humour. In the Wensleydale Decorative and Fine Arts lecture, at Middleham Key Centre on Tuesday 10 February at 2.00pm, Tim Stimson focuses on the life of Edward Lear with illustrations of his work and quotations from his writings. A painter and ceramicist, Tim has spent the past 15 years as a freelance Art Historian specialising in 17th and 19th century art and society. He lectures for the universities of Hull and Cambridge and for NADFAS and presents residential study courses in Britain and Europe.

Membership information on Wensleydale DFAS is available from Elaine Frances tel. 01969 624203 and visitors are welcome at the lecture.

All items for the Reeth and District Gazette may be left at Reeth Post Office.

The British Heart Foundation wants you to go Red for Heart this February. The British Heart Foundation (BHF) launches its new Red for Heart campaign for National Heart Month this February and is asking everybody to raise vital funds to help fight the UK's biggest killer - heart and circulatory disease - by organising a Red themed event during February or by taking part in our Wear Red to Work Day on Friday 13<sup>th</sup> February. Why wear Red? 89 mothers and 99 fathers die every day - from coronary heart disease.

Every six minutes someone dies from a heart attack in the UK

2.5 million people in the UK are living with coronary heart disease

By wearing red, for a suggested donation of £1, you will help the BHF save lives through pioneering research, patient care, campaigning for change and by providing vital information. Together we can beat the UK's biggest killer.

What other ways can you support **Red for Heart?**

Hold a Red for Heart fundraiser. Do something crazy, formal, racy or just plain fun. You can hold a red fancy dress party, a red themed dinner party, a sponsored bungee jump in top-to-toe red, a red bake sale...as long as it is red anything goes! Order your free Red for Heart Fundraising Kit today - visit [bhf.org.uk/redfeb](http://bhf.org.uk/redfeb) or call 01623 624558

Wear your heart on your sleeve this February with the Red for Heart pin badge. If you would be able to display a box of our heart emblems at your workplace then please order your box now by calling 01623 624558 or email

[redfeb@bhf.org.uk](mailto:redfeb@bhf.org.uk). Badges come in boxes of 50 and are a suggested donation of £1

Barrie Heath, a father of 2 and a recent heart patient said, "After suffering a heart attack and undertaking a heart bypass in 2004 I feel very fortunate to be alive today. Thanks to advances in treatments and diagnostics I have made a full recovery and this is also down to the fantastic work that the British Heart Foundation does. I hope that as many people as possible will support this campaign and raise much needed funds for the charity so it can continue its vital work so that people like myself live longer." Time Team in the Yorkshire Dales

TV archaeologists have been busy in the Yorkshire Dales National Park digging up history about the Settle Carlisle railway.

Presenter Tony Robinson and the Channel 4 Time Team spent three days with Yorkshire Dales National Park Authority Senior Conservation Officer Robert White investigating the site of one of the construction camps set up to house the workers who built the railway.

Their findings from the camp near Dent Station will be screened on Sunday (February 1) in a programme called 'Blood, Sweat and Beers'.

The investigations centred on construction camp 2, which was a group of five huts that housed some of the workers and their families who built the Risehill Tunnel north of Dent Station - the second longest tunnel on the railway - between 1869 and 1875. Occupations recorded in the 1871 census included a carpenter, two blacksmiths and stone masons as well as railway miners.

"Although we know a little bit about the construction of the Settle Carlisle Railway, we had very little knowledge of the actual process and the living conditions of the people who built it," Robert said.

"At Ribbleshead we have had the camp surveyed and done some excavation but the site the Time Team looked at was the type we know very little about.

"The Risehill camp was on top of a hill in the middle of a peat bog. The excavations showed just how harsh their living conditions were and helped give an idea of the scale of the machinery that was used to help build the tunnel."

## SHRINKING

Saying all is shrinking is rather naive, The facts are more balanced I truly believe

Suggesting otherwise may not be too positive

To the wretched Health and Safety Executive

For let me assure all your readers That shrinkage applies not to their leaders.

Their numbers and salaries grow by the day.

Inflation proofed pensions add to their pay.

They warn and threaten; that is their game

But in reality, they're not wholly to blame. Money grabbing lawyers are the biggest curse.

Your readers must know, they really are worse.

Their threats to sue mean you cannot insure

So these pathetic displays, you will have to endure.

Soon all will be gone and lost in history To future generations; only a mystery. Computer simulations are surely preferred.

With this, the National Park have always concurred.

Local children playing must never be seen. Tourists might notice; on that they're not keen.

These interfering busybodies must really back off

But I am quite lost for anything repeatable to rhyme with this!!!

The End Of An Era  
In Arkenqarthdale

"Which way is Bilsdale?" asked the guy installing our new TV aerial as he tried to line up the aerial towards the transmitter. "It's been moved to the top of that Scots Pine tree behind the Corn Mill, courtesy of the Arkenqarthdale Television Committee", we pointed out, and explained that because of the local terrain and the sparse population we had to rely on "a self-help relay system" to boost the signal from the Bilsdale transmitter.

The Arkenqarthdale TV Self-help Scheme "went live" in 1982, to bring terrestrial television reception to a swathe of the dale roughly from High Green to CB Yard and Eskeleth, A scheme had been planned during 1981, with Lord Arundel (as then) and Gordon Newcombe instrumental in getting the necessary Planning Consent from the National Park and the Licence Approval from the Home Office. There were originally 31 members of the "dub", which was managed by a small committee. This had Parkin Waller as Chairman (after Gordon Newcombe moved away), George Birks as Treasurer and John Hird as Secretary. The number of subscribers to the scheme eventually reached 50, but has decreased now to around half-a-dozen, as satellite dishes have taken over.

The scheme uses an UHF Receiver up on Bouldershaw Moor, which is connected by a cable to the "active deflector aerials" mounted on the fir tree behind the Corn Mill. An electricity supply from Jocelyn Campbell's house has provided the necessary power since the inception of the scheme. The equipment was installed by

Mr. K.S. Sayer of Kirkby Stephen and Mr. Sayer's firm has continued to give excellent service in maintaining and repairing the equipment ever since. The last major repair followed a lightning strike in spring 2002 which blacked out the final episode of an Auf Wiedersehen Pet series, (when Middlesbrough's Transporter Bridge was rebuilt in the USA), much to Duncan Campbell's disappointment.

Annual running costs for the scheme (paid for by members' subscriptions) currently average around £200 per annum for the electricity, the Relay Licence and minor repairs. Additional sums are drawn from users when needed for major repairs. Of course, no allowance is made against the cost of the TV licence which everyone has to pay.

However, the days of the scheme are numbered - the pine tree is dead, so access to the reflector aerials is not possible. Thus if the current system were to fail, a new analogue system would have to be installed, costing around £2,500, and with the switch to digital TV in 2012, a different system and a further £2,500 would be needed, With only half-a-dozen users and funds depleted, costs to individuals would be far higher than the £150 needed to install a Freesat satellite aerial.

So the 27 year old scheme will cease to operate when the current licence expires on 12<sup>th</sup> February 2009. Our thanks are particularly due to those who have managed the scheme over its lifetime, George Birks, Parkin Waller and the late John Hird. Also to those who worked to obtain the original permission, the Duke of

## REETH AND DISTRICT GAZETTE

Norfolk and Gordon Newcombe, to Mr. Sayer for his maintenance work and to Jocelyn Campbell for access to her loft for the power connection. After closing down expenses have been met, any remaining scheme funds will be divided between local causes, as agreed by the current members.

### NEW LEASE OF LIFE FOR 'GREEN LANE'

A rutted, ankle-twisting 'green lane' west of Hawes is open for business again after being transformed by the Yorkshire Dales National Park Authority (YDNPA).

The route at Cotter End - known locally as The Highway or the Lady Anne Highway - is ready for visitors at the end of a year-long project that has seen it stripped down to its basics and virtually rebuilt.

And, after years as a Byway Open to All Traffic (BOAT), access is now restricted to walkers, horse riders and mountain bikers.

Matt Neale, the YNDPA's Area Ranger for Upper Wensleydale, said: "As a BOAT, it had been used a lot by off-road motor vehicles - mainly motorbikes - and it was in a terrible condition, with ruts across its width, some almost waist deep. The condition was made worse by poor drainage.

"It was dangerous for horses and we had a lot of complaints from walkers because you could easily twist your ankle.

"We have rebuilt the path and improved the drainage along the whole section, which is just over a kilometre long, and, due to the sensitive nature of the route, we have introduced a Traffic Regulation Order,

which means recreational motor vehicles are banned from it.

"Now it is much easier to use and people will be able to enjoy the views as they travel along it instead of having to look down all the time and concentrate on where they put their feet."

Landowner Sandra Facer said: "The work by the National Park Authority has transformed it completely. It's a huge improvement on what it was a year ago and the TRO will mean it should stay in this condition for a long time."

Historically the route was used by horses and carts for many years as the main road from Hawes to Kirkby Stephen and by Lady Anne Clifford on her regular travels between Skipton and Brough.

She was born at Skipton Castle in 1590, the third and only surviving child of George Clifford, third Earl of Cumberland, and his wife Margaret Russell.

She finally inherited the estate in 1643 and spent the next 26 years rebuilding almshouses, churches and castles including Skipton, Pendragon, Appleby, Brough and Brougham, where she finally died in 1676.

# REETH AND DISTRICT GAZETTE

The first snowdrops are appearing heralding the promise of Spring and with it the hope that the bad weather, coughs, colds and 'flu may soon be behind us.

Thanks to all of you who came to our Open Afternoon in December. We hope this gave you a chance to meet some of the team here at Reeth Medical Centre.

To keep you busy, you will have received a questionnaire through your doors from the NHS. As if that wasn't enough form filling, our Receptionists, Vicki and Janice will be asking you to complete another one. This is a Practice Questionnaire, which is entirely confidential. You don't have to participate, but this will be sent off and independently assessed, helping us to tailor our services to your needs. Clipboards and pens will be provided, so thank you in advance for your cooperation.

Some really good news is that after April people who are paying prescription charges for cancer drugs will become exempt from those charges. Nearer the time, please speak to our Dispensers, Christine or Amanda, to receive your application form for exemption.

We also offer a service for the disposal of unwanted/unused medicines at the surgery, so you don't have to destroy them yourself.

There can be numerous reasons why medicines are not needed. However, given that unwanted medicines cost the NHS in the region of a staggering £800 a year, we can all do our bit by only ordering what we really need, when we need it, because once a medicine is prescribed, it cannot be re-used and has to be incinerated - even if it

is unopened.

Dr Anderson and I are always happy to discuss your prescription needs, find out what's working for you and what's not, so don't be shy of asking us.

All the best. Mike Brookes and the Team

The weather has continued seriously to disrupt football. Christmas Eve, however, was fine and dry. The Under 11's played for the George Spiers Trophy; Reeth v Arkengarthdale and Gunnerside largely based on the primary schools. They played 11-aside with 5-11 year olds together on the greater part of the full pitch. Mums want us to run some energy off them. We did! With several children away for Christmas or poorly we still ended up with a well balanced match with some excellent football from both sides. A & G had, arguably, the 2 best players but many 5 year-olds whereas Reeth were much stronger in the middle order. Scott Alderson opened scoring with a second from Matthew Short for Reeth. Nathan Tulip pulled one back to give 2-1 at half time. Tim Dawson (playing out of goal) then equalised and then an excellent pass by Tim was neatly finished by Nathan. The last 5 minutes were particularly exciting as Reeth pulled out all the stops to equalise with end to end football but A & G held on to their lead. Scott Alderson and Tim Dawson were respectively voted man of the match while I must mention Nathan Brown and Ben Metcalfe who both played noticeably well.

A Dads v Lads match followed. Eddie Anderson put the Lads ahead for Keith Webster to equalise in this 40 minute each way match. 1-1 at halftime. In the second half youth had the edge on experience. Stephen Allison, playing for the Dads made numerous attacks to be thwarted by the Lads defence and excellent

goalkeeping from Adam Calvert. Stevie Bainbridge defeated Martin Cocksedge in goal twice while Jonny Simpson pulled one back followed by another from Keith. James Keyse got the decider for the Lads giving them a 4-3 win. Thanks to Pete Mackay for refereeing.

On 18 January we finally played 2 League matches at home in soggy conditions. Under 12's played Catterick Garrison conceding no goals in the first half. We were very pleased to welcome Peter While to his first match and he made a superb save when the defence let him down only for Catterick to score on the rebound. Catterick scored again despite Peter making some excellent saves to be nominated man of the match. Lost 0-2. Thanks to Carol for refereeing. A friendly followed bringing on our under 10's but without Nathan Tulip. We lost this 2-5 - Dan Longden and Will Fawcett scoring.

The Under 16's played Barton and although Dales dominated, they did not have it all their own way though Isaac in goal was rarely troubled. Captain Mattie Calvert opened the scoring followed by Eddie Anderson but several other chances were missed. 2-0 at half time. Mattie scored again from a long kick and then got a well deserved hat trick. Sam Fuller played well but it has to be said that some others have gone a little rusty. A friendly followed when Barton brought on their Under 14's and we played the few Under 14's we have. Thomas Simpson, Eddie (2), Liam Heron and Jack Lord scored. 5-1 win.
