Marrick Parish Council

At the Annual Meeting of the Council held on 13 May 2010 Councillor Barrie Braithwaite was elected Chair and Councillor Mark Hodgson Vice-Chair, Mrs Pauline Corder would continue as Parish Clerk and Responsible Financial Officer and Mr David Trusson as Internal Auditor. A review of the Audit Plan and Effectiveness of Internal Audit was carried out. A more detailed Risk Assessment, prepared by the Clerk, was examined and accepted. Following a review of policies, it was agreed no changes were necessary. Future meetings of the Parish Council would continue to be held bi-monthly at Marrick Institute. County Councillor John Blackie attended the Parish Council Meeting which followed. NYCC Review of Passenger Transport Services and Home to School Transport led to a lengthy discussion. Councillor Blackie commented on the excellent Dial-a-ride service. Councillors expressed their dissatisfaction with the current system of winter maintenance. Transport problems caused by the severe winter weather were related to Councillor Blackie, who informed the meeting that a review of the gritting policy was taking place and that highways supervisors were to have more flexibility in the provision of salt bins and salt piles. The Summary of Accounts for the financial year was approved. Formal consideration was given to the internal auditor's report, which provided the assurances necessary for the Council to complete its annual governance statement. The Annual Return was completed. Discussing North Yorkshire Fire and Rescue Service's Integrated Risk Management Plan, Councillor Blackie stressed the importance of retaining the

services in Reeth and Hawes. Planning permission had been granted for the revised scheme of conversion of building to form dwelling, Low Greenas, Hurst and for erection of high ropes activity course, climbing wall and river crossing, Marrick Priory Outdoor Education Centre. There were no objections to the erection of a general purpose agricultural building, Harland House, Marrick. North Yorkshire County Council had forwarded an amended draft version of the Parish Charter. Permission would be given for the use of parish land for the Scott Trial on 23 October 2010. Date of next meeting 29 July 2010 at Marrick Institute.

John Blackie supports the 2 Dales Lunch Club

County Councillor John Blackie visited the Lunch Club at Low Row Institute on 17th June to present the organising committee with a cheque for £750 as a grant from his Upper Dales allocation of the North Yorkshire County Council Richmondshire Area Committee budget. The Swaledale & Arkengarthdale Luncheon Club Association was formed in 1994 to organise regular monthly lunches in Langthwaite, Low Row, Muker and Reeth. The meals are provided by local caterers (Lisa Porter and helpers), and transport to the clubs is provided by the Ring to Ring Community Minibus and Harker's Coaches of Reeth. Members pay £7 for a three course lunch, but the Club also has to cover the costs of hiring the village halls, providing the transport, printing menus and publicity, and occasional

equipment items. The Club receives very welcome donations from various sources to help cover these additional costs, but the committee is always looking for other potential sources of sponsorship. Councillor Blackie said: "The Club is a beacon example of self-reliance within the deeply rural community that is the Upper Dales. It also provides an unrivalled opportunity for some treasured networking amongst those attending, who are drawn from hugely dispersed and often very remote and isolated areas, and this aspect of its social inclusion must never be underestimated. The meals on offer are first rate as well !!" The Lunch Club meets every month in Langthwaite, Low Row, Muker and Reeth, and new members are always welcome. For information on dates and menus please phone Mike Beckwith on 886307 or Alan Thorogood on 886524.

How to get to Heaven from Yorkshire ...

I was testing children in my Barnsley Sunday school class to see if they understood the concept of getting into heaven. I asked them, "If I sold my house and my car, had a big jumble sale and gave all my money to the church, would that get me into heaven?" "NO!" the children answered. "If I cleaned the church every day, mowed the garden and kept everything tidy, would that get me into heaven?" Again, the answer was 'No!' By now I was starting to smile. "Well, then, if I was kind to animals and gave sweets to all the children, and loved my husband, would that get me into heaven?" Again, they all answered 'No!' I was just bursting with pride for them. I continued, "Then how can I get into heaven?" A six year old boy shouted, "Tha's gott' be Chuffin' dead"

Hazel Brow Farm Educational Link (HBFEL)

The HBFEL group have recently completed a successful project, taking food and farming out to urban areas and creating a comparative record of food items consumed today and in the past by mining/farming families. 100% of the evaluations rated the project as 'excellent' so come along and help celebrate this success at the Visitor Centre, Low Row on 18th August at 7.30pm or pop in and see the display which is on view in the Discovery room on Sundays, Tuesdays and Thursdays. The group are now considering their next project and want to hear from anyone in the dale who would like to get involved in Food, Farming, Environment or Local Heritage initiatives. A Spoonful of Swaledale at Chelsea

Many Gazette readers visited Peter Cummings' workshop at The Dales Centre to take a look at the 'Yorkshire Spoon' seat before it was delivered to The Chelsea Flower Show in May, along with his other items of furniture which contributed to the Yorkshire Rhubarb Crumble and Custard Garden. The completed garden drew a great deal of interest, with the Welcome to Yorkshire team informing the crowd of the furniture's origin, making Reeth the talk of Chelsea! The garden was awarded a Silver Medal by the judges, then, much to the delight of all involved, went on to win the prestigious RHS People's Choice award. Many well known personalities visited the garden, including a few from Swaledale! The spoon seat became a popular place for a photo opportunity, apparently being broadcast across the world as far as Australia. For those who didn't travel down to London, the garden will be re-created a little closer to home at the Great Yorkshire Show, then will move on to its permanent destination, RHS Harlow Carr in Harrogate.

DEEP VEIN THROMBOSIS (DVT)

The holiday you booked six months ago is now about to start. The factor 50 sun cream is packed, along with the bikinis and swimming trunks. You arrive at the airport in good time. Plenty of time, in fact, to have a few beers or a couple of large gin and tonics before take off. Once in the air the cabin crew bring you a few more drinks to get you in the holiday mood. All this sounds wonderful, but a word of caution. (Dr Killjoy again!) Alcohol combined with flying is not a good mix. Both cause the body to dehydrate, and dehydration can be a major cause of Deep Vein Thrombosis (DVT).

So, what is DVT? DVT occurs when a blood clot blocks a deep vein in the body, obstructing or stopping the flow of blood. Family history and obesity also have an impact on a person's susceptibility to DVT, as does inactivity - the very thing that we have no control over on a flight. In particular, a long haul flight.

How will I know if I get DVT? As the blood clots form, a sensation of cramp or a dull ache may be experienced. Gradually, the skin may become tight and feel hot. This should not be ignored. Part of a clot may break off and get into one of the arteries near the heart, which could cause a Pulmonary Embolism - potentially a life-threatening situation. You can be affected by DVT in situations other than flying. If you are sitting all day, tied to a computer and drinking lots of coffee, again, this is not a good combination.

Prevention is better than cure The important thing is to keep moving and drink lots of water - especially when flying. The airlines provide exercise sheets to keep you moving, and some even provide flight socks, so do make use of them. It only remains for me to say: *'Bon Voyage!'*

DOCTOR APPOINTMENTS FOR VISITORS

Even on holiday we can become ill and need to urgently see a doctor, and in the rigmarole of packing, sometimes the little things get left behind - like medication! If you are visiting the area, the doctors at Reeth Medical Centre will be very happy to register you as a temporary patient if you are in need of urgent medical attention or require a supply of medication until you can obtain more from your own doctor. The surgery times are available at the Tourist Information Centre or call us on 01748 884396. Please be aware that we cannot sell you things like paracetamol, ibuprofen or dressings but these are available from the shops in the area. Enjoy your holidays.

Christian Aid

Thank you very much indeed to everyone for their support for **Christian Aid Week** The House-to House Collection in May, the Service at Holy Trinity Church, Low Row together with the Coffee Morning at the Drop-In and the Produce Stall on the Green raised a total of **£2634.06**. The House -to-House Collection for each area was as follows:

Arkengarthdale	203.64
Fremington	54.61
Grinton & Harkerside	248.51
Gunnarside	90.09
Healaugh	10.66
Low Row	360.17
Marrick	74.96
Marske	195.88
Muker & Thwaite	138.65
Reeth	526.36
West Stonesdale & Keld	151.46
TOTAL	2054.99

The focus for our collection this year was Christian Aid's work in Nairobi together with their partner Maji na Ufanisi (MNU) - meaning 'Water and Development'. MNU has worked in Kiambui, one of Nairobi's slums or 'informal settlements' since 1999. In this time, MNU has supported a community group to build sanitation blocks

in the settlement; and using income generated from the blocks, community members have put down a deposit on a plot of land outside Nairobi. In the next three years they hope to move away from the settlement and begin new lives. If MNU can secure more funding and with help from Christian Aid, it plans to begin work in the Matopeni settlement

Thanks to your support, prayers and donations, Christian Aid partner organisations are helping to rebuild lives and livelihoods in some of Nairobi's most vulnerable communities. **Bric-a-Brac Stall**

A Bric-a-Brac stall will be held for Christian Aid on Friday 23 July on Reeth Green. Contributions for the stall are welcome. Charity Evening

In aid of

The Mowbray Suite And

The Alternative Therapy Treatment Room

Organized by Lisa Porter and Friends

Dear All, In May 2009, I was diagnosed with breast cancer, which then went on to develop into secondary cancer, and so my journey through the Friarage Hospital began. Firstly the Scott suite to which I can not speak highly enough of. Then I went on to chemotherapy at the Mowbray suite, with help from the Alternative Therapy room. My Treatment is still on going, now I feel it is time to give something back to them for all the care and understanding that they gave to me. I have had close friends who also had connections and feel the same. I have decided to hold a charity evening on Saturday 4th September at Muker in Swaledale; this will include a disco, food and then followed by an Auction of Promises. It would be greatly appreciated if you were able to donate to this evening in some way. Yours faithfully, **Lisa Porter-01748 886434**

THE SWALEDALE MUSEUM

On the 19th June we have our second Conversation in Craft with Philip Bastow, this will be at his furniture workshop and gallery in Silver Street. Please let Helen know if you would like to book a place for this, or for Heather Ritchie on 10th July and Ray Davies on 24th July. These informal and convivial evenings, which begin at 7.30, are a chance to find out more about our local crafts people. Don't forget the Friends of the Museum talk on 21 July 7.30pm in the Museum, Tim Laurie, Peter Denison Edson and other members of the Swaledale and Arkengarthdale Archaeology Group will give the second Jill Curry Memorial Lecture, on 'Recent Archaeological Discoveries in the Dale'. They have found exciting new evidence and have plans for new excavations. So do come and hear what they have to reveal! For our AUGUST talk we have Dave Weedon, on 'Pioneering Photographers of the Yorkshire Dales 1840s-1914', including Swaledale. From 2.30 pm in the Museum he will be happy to take a look at the photographs (covering the period of his talk you might like to bring in to date and discuss. His talk begins at 7.30pm as usual in the Museum. We also have a SPECIAL LECTURE by David Carlisle on Tuesday 17th August, which we will be holding at Fremington Sunday School at 7.30pm. The gripping title is: 'A gruesomediscovery'. In 1964 a decayed body of a man was discovered in a dales lead mine. How long had he been there, who could he be, and was there a Swaledale connection? Come and find out. Tickets booked in advance £3, on the door £4. There is a second chance to hear

Reuben Frankau's 'The Bus Up the Dale Part 2, The Rise and Fall of Percivals'. As we had to turn so many people away in May, we are repeating this talk on Wednesday 1 September, in the Museum at 7.30pm. Booking is advisable to secure a seat. Our Knitting Cafe will meet at the Museum at 2pm on 26 July, 23 August, and 27 September. Our SPECIAL EXHIBITION on local SAMPLERS was such a success that we have decided to continue the show. As the Richmond and Leyburn Embroiderers' Guild work goes we are replacing these pieces with more historic samplers brought in by dales families, developing the family and local histories that they bring with them. Come and see the Museum, stay in our cottage or take a look at our newly designed shop, with thanks to Carole for her retail store design skills! As usual if you have any information or enquiries contact Helen Bainbridge at the Museum on 01748 884118 or e-mail: museum.swaledale@btinternet.com, and don't forget to check our website www.swaledalemuseum.org.

Computer Corner

with Carol Haynes

What's in a name? I often get calls where I try to help people over the telephone with a computer problem. As I described in a previous article I can connect to computers over the internet and it is often easier to have a quick look to find out what is going on rather than ask a lot of questions. The program that allows me to do this has to be downloaded first onto their computer so I ask customers to open their browser and go to www.teamviewer.com to download and install the required remote control software. Frequently this has led to a long exchange where it is clear that what they are looking at is not the Teamviewer website but rather a list of results from Google. Often when asked "which browser are you using?" the answer comes back Google! So I thought it might be interesting to look at what a browser is, how to go to a particular webpage and why choosing a browser is important. If you are using Windows you automatically have Internet Explorer installed (on the Mac it is Safari). Often people use these browsers because of the law of least resistance - they are there and generally you just have to click on them to get them to work. You aren't, however, restricted to using the one you started with and generally you are better off using an alternative but this involves a little work (well - under 2 minutes if you have broadband). My favourite is Mozilla Firefox (you can download it from www.mozilla.com) because it has lots of useful extensions (including ones that

block adverts - which makes the internet less annoying, and check your spelling when you fill in forms). Additionally Firefox works on almost any computer - Windows, Mac and Linux so once you are used to Firefox you can use it in exactly the same way on any computer you come across. There are lots of others to choose from such as Google Chrome, Opera etc. (do a search on the names to find out more) and a recent Microsoft update pops up a window so you can choose (if you haven't seen it then it means your computer is not up to date). Once you have your chosen browser installed you can choose to use it or go back to your old browser if you like - so there is nothing to lose by trying out a new one. Whichever you choose, when you open the browser it generally displays your chosen 'homepage' (which you can choose for yourself in the 'options' window) and many people have this set automatically to Google Search which has a big box where you can type in the middle of the screen - and hence the confusion. To go to a specific website, rather than search for something using Google, look at the very top of the window. There is usually a smaller bar with the webpage address, and you can change it. If you have Google on screen it may look like: <http://www.google.co.uk>. This is where you can type the actual page you are looking for. So if you are looking for BBC iPlayer just click in that box (the text generally turns blue) and start typing - which clears the existing address and starts with the new address (if the old one doesn't disappear use the delete key to delete it before you start typing).

Cont. on p. 21

You don't need to include the http:// bit - just type www.bbc.co.uk/iplayer and press "Enter" (or "Return") on your keyboard and hey presto you go straight to the right page More on getting the most from browsers next month ... plus a competition! As ever do send me an email if you have any questions or suggestions for articles at www.dalescomputerservices.com (now you know how to get there). **Carol Haynes**

Sun Shines at Arkengarthdale Sports.

The sun pulled in the crowds at Arkengarthdale Sports on 5th June. A fantastic turnout of fancy dress and well attended tent entries made judging for Julie Bissicks & Jane Sammels and Mr & Mrs Matt Mason very difficult. The Joan Stubbs Memorial trophy for best fancy dress was awarded to James Hutchinson as 'BP Brings Oil to American Shores'. The traditional races followed, including the Senior Fell Race won by Ben Mulroy. There was brotherly rivalry in the Junior Fell Race with Daniel Winter winning and brother Sam coming a close second. This year's Quoits competition was hotly contested with Charles Cody beating Roberts Stubbs in the final. There was an excellent entry for the sheep classes with the Overall Championship being won by W C Porter & Son. Musical entertainment was provided by Muker Brass Band who played a great selection of modern and popular pieces throughout the day. The Dales Ladies lived up to their reputation for putting on the best afternoon tea in the area as everyone headed for the marquee for the delicious homemade savouries and cakes. The day concluded with the Sports BBQ and disco, which was well attended by locals, with the traditional tug-of-war and new event 'Tossing the Caber' adding fun to the evening. **Results of the day in detail,** FANCY DRESS: under 5yrs, Girls: 1 Charlotte Wood, 2 Mia Stubbs, 3 Lily Richardson. Wensleydale Decorative and Fine Arts

Society celebrates its 10th Anniversary, on Tuesday 13 July, with the lecture *Poets, Painters and Private Lives in Venice* by Douglas Skeggs. Douglas was the Society's very first speaker in 2000 and he makes a personal tour of 19th century Venice in search of the artists and writers, and the strange and often bizarre lives they led in the city which inspired them. They include Henry James, Thomas Mann, Ruskin, John Singer Sargent, Turner, Monet and Lord Byron. Douglas read Fine Art at Magdalene College, Cambridge and has been lecturing on paintings since 1980. Lectures are held at Middleham Key Centre at 2.00pm. Non-members are welcome at £5 per lecture please contact the Membership Secretary to book a place, tel. 01969 624203

SUMMER GARDEN OPEN

Reeth Community Orchard is hosting an Open Day with Cheese and Wine on Sunday July 18th from 3pm. Come and enjoy the beauty and peace of the high summer garden, with entertainment. Tickets £3, are available from committee members and on the gate. The group would like to thank everyone in the community who donated plants so generously for our recent May Plant sales. We made a useful profit all of which is ploughed back (excuse the pun) into the Orchard to replace losses from heavy and constant frosts this winter. Now however the gardens are blooming and the fruit trees showing mammoth crops. See the website for up to date news: www.reethorchard.org.uk
