SKILLSHARE @ HUDSON HOUSE

Following a successful season of courses which allow experts in a particular field to pass on their skills to others, SkillShare will resume activities after the summer break. If you have any ideas for courses, or would like to give others the benefit of your own expertise, please contact us on skillshare40@yahoo.co.uk.

The scheme started in October 2012, and courses have covered a wide range of interests. For those with a technical bent we have included photography, map-reading and navigation, computing, and astronomy. Taster sessions in handicrafts have included flower arranging, rag-rug making, basic quilting, bead-threading and beauty treatments. On the musical front there was a "singing for pleasure" morning, and learners' ukulele tuition.

We are especially grateful to those talented experts who have led these sessions and passed across their knowledge so proficiently. Now we just need your ideas to form a programme for the coming autumn; perhaps developments from earlier subjects or new ideas such as archaeology, public speaking or sketching.

Reeth and District
Community Sports Club Limited
Registered Charity
Number 1129787 (CRN 6730364)

We are concerned at the sudden and quite unacceptable increase in dog muck fouling on the Athletic Field. It is not reasonable to have to clear dog muck before every cricket match or other proper usage of the field. The Sports Company would remind everyone:

This is a private field.

No dogs are allowed.

No one, whether from Reeth, the Caravan Site or elsewhere has any right of access over this land or down to the river. There is no public right of way whatsoever over the land.

Sporting rights are reserved to the Company. Permission to fish should be made to the local angling club.

The facility, including the field is made available for sports or other agreed recreational use to affiliated bodies and to others by agreement.

NEW MINISTERS

On Saturday 6th July at 3pm, the new minister for Reeth Evangelical Congregational Church, Rev. David Levell, will be inducted at a service in the Church. All are welcome.

On Saturday 17th July the Induction of the Reverends Hilary and Stephen Collinson to the URC Tees Swale Pastorate will take place in Northgate URC Church, Darlington at 2.30pm. All welcome

CHRISTIAN AID

Thank you very much indeed to everyone for their support for **Christian Aid Week**. The House-to House Collection in May, the Service at St Mary's Church, Arkengarthdale together with the Coffee Morning at the Drop-In and the Produce Stall on the Green raised a total of **£2745.50**. The Coffee Morning and Produce Stall were particularly well supported. Thank you all for your generosity.

The House -to-House Collection for each area was as follows:

Arkengarthdale	178.25
Fremington	56.24
Grinton & Harkerside	268.23
Gunnerside	112.36
Healaugh & Whitaside	176.08
Low Row	382.96
Marrick	49.49
Marske	201.06
Muker & Thwaite	120.75
Reeth	437.50
West Stonesdale & Keld	182.28
TOTAL	2165.20

The focus for our collection this year was Christian Aid's work in three countries. In the south of Zimbabwe, Christian Aid's Partner, Dabane Trust, has helped to build a sand dam, transforming not only their harvests but the life of the whole community. A project in Kenya is providing

weather forecasts by text messages to mobile phones to help farmers make better decisions about what to grow and when to plant it. A project in Bolivia is securing rights to the land where people of the Amazon rain forest have lived for generations.

Thanks to your support, prayers and donations, Christian Aid partner organisations are helping to rebuild lives and livelihoods in these countries.

We are encouraged to support the 'Enough Food for Everyone IF Campaign'. The campaign tackles 4 issues head on: aid, tax, land and transparency. We can overcome hunger **IF**:

Aid is used to help the poorest people feed themselves.

We stop big companies dodging tax in poor countries.

We stop poor farmers being forced off their land.

We force governments and big corporations to be honest and transparent about their actions.

More details can be found on www.christianaid.org.uk

BRIC-A-BRAC STALL

A Bric-a-Brac stall will be held for Christian Aid on Friday 19th July on Reeth Green. Contributions for the stall are welcome. If you would like any items collected please ring Susan Allison on 884366 or Pauline on 886790

REETH & GUNNERSIDE SCHOOLS**Our School Family**

After a very busy and very successful year, (we have just been awarded the nationally recognized ICT Quality Mark for our excellence in ICT teaching) we arrive at the point in the year when we say our goodbyes. Our Year 5 and 6 children will be performing their end of year concert at Reeth Memorial Hall on Monday 15th July, 6.00pm and Tuesday 16th July, 6.15pm; this year's production is "Wind in the Willows". Please do come along and watch either performance

This year, children will leave us to transfer to Richmond School and to The Wensleydale School. Some members of staff will be leaving us too. Some go because they are at the end of a fixed term contract and sometimes teachers leave because they have got a job in another school and are progressing up the career ladder.

As people move on I tell all the children and staff that they must think of each other as part of our big school family. Sometimes in a family people move away to take on a new job, to study in a new place or to accept a new challenge but that does not mean they are no longer part of our family. Wherever they go and however far away, they are 'one of ours' and we continue to watch with pride as they make their way in the world. Like any family waiting back at home we love to hear from those who are away from our day-to-day lives and to see them again on celebration days and get-togethers.

And just like a family, we do not think of these moves to new schools, new towns or new responsibilities with anything except pride in the individuals and love for the family as a whole. Whoever you are and wherever you go we will always think of you and have your welfare in our hearts. So go out there, be a success and most of all BE HAPPY!

Linda Cork and staff.

BELLERBY OPEN GARDENS.**SCARECROW TRAIL****AND ALL THAT JAZZ**

Sunday 14 July 2013

11am - 4.00pm

Enjoy a great family day out at Bellerby Open Gardens on Sunday 14 July Follow what is probably the most entertaining scarecrow trail in North Yorkshire and use your skill and judgement to choose the winner. Garden lovers will enjoy the range of hidden gardens which are open to view and spread within easy walking distance throughout the village. There will be plant sales at some gardens and at the Memorial Hall, and younger children can enjoy the swings and outdoor play area next to the Hall. Delicious home-made food will be available in the Hall from 11.00am and there will also be a table-top sale. Jazz-lovers will enjoy the Old Glory Jazz Band playing between 2.00pm and 4.00pm. Bellerby, a village of becks and bridges dating back to before the Norman Conquest, is 1.5 miles north of Leyburn on the A6108 road to Richmond. Admission is £3.50 each, for adults, children under 16 go free and there is free off-road parking. Proceeds will be shared between local good causes.

REETH & THE TOUR DE FRANCE

In July 2014 the Tour de France comes to Swaledale. This "once in a lifetime" event, on a scale so massive that is hard to comprehend, will be publicised worldwide. One thing is certain: it will not be "business as usual" for anyone in Swaledale on 5 July 2014. At the Swaledale & Arkengarthdale Business Forum meeting held on 11 June at the CB Inn, it was agreed that a number of issues need to be considered at a local level by the various communities of Swaledale. The intention is that interested parties in Reeth will meet on a monthly basis over the next 12 months with the aim of trying to make this a fantastic experience for all, whilst at the same time ensuring that concerns are addressed and information is made available to residents of Reeth as well as visitors. Please watch out for the posters and come along to the meetings.

CHURCH LADIES WITH TYPEWRITERS.

Those wonderful Church Bulletins! Thank Goodness for church ladies with typewriters. These sentences (with all the BLOOPERS) actually appeared in church bulletins :

The Fasting & Prayer Conference includes meals

The sermon this morning: Jesus Walks on the Water.

The sermon tonight: Searching for Jesus

Ladies, don't forget the rummage sale. It's a chance to get rid of those things not worth keeping around the house. Bring your husbands

Don't let worry kill you off - let the Church help.

Remember in prayer the many who are sick of our community.

Smile at someone who is hard to love. Say 'Hell' to someone who doesn't care much about you

Mrs. Bonnie Talley sang 'I will not pass this way again,' giving obvious pleasure to the congregation.

Next Thursday there will be tryouts for the choir. They need all the help they can get.

Irving Benson and Jessie Carter were married on October 24 in the church. So

ends a friendship that began in their school days.

At the evening service tonight, the sermon topic will be 'What Is Hell?' Come early and listen to our choir practice.

Eight new choir robes are currently needed due to the addition of several new members and to the deterioration of some older ones.

Scouts are saving aluminium cans, bottles and other items to be recycled. Proceeds will be used to cripple children.

The church will host an evening of fine dining, super entertainment and gracious hostility

Potluck supper Sunday at 5pm - prayer and medication to follow.

This evening at 7pm there will be a hymn singing in the park across from the Church. Bring a blanket and come prepared to sin.

Weight Watchers will meet at 7pm at the First Presbyterian Church. Please use large double door at the side entrance.

And my favourite:

The Associate Minister unveiled the church's new campaign slogan last Sunday: "I Upped My Pledge - Up Yours".

**RESTORATION WORK COMPLETED AT
ST. MARY'S CHURCH,
ARKENGARHTDALE**

The recent completion of the internal decoration of the church saw the conclusion of a five-year period of restoration at St. Mary's. The building is very nearly 200 years old and substantial repairs were carried out at a cost of about £250,000 to prepare the Grade II listed church for the next 200 years on its site above Arkle Beck.

Work has included the repair and restoration of the main east window and the north and south side windows, replacement of the roof slates and insulation of the ceiling, installation of a new boiler and complete replacement of the wiring, repairs to the internal plasterwork and full repainting.

The Bishop of Knaresborough visited the church recently for a Confirmation Service, and waxed lyrical over the appeal of the freshness and light of the interior.

Raising £250,000 is a major exercise and St. Mary's District Church Council wishes to thank all who have contributed to allow the work to be carried out. English Heritage gave generous grants amounting to about 60% of the overall cost, and other monies came from Trusts supporting the maintenance of religious buildings. The DCC is particularly grateful for the support from many local people who have given donations and supported fund-raising events, which together generated around £80,000 towards the overall cost.

WINDOWS 8.1 ON THE WAY SOON

A major upgrade to Windows 8 will be coming soon, imaginatively called Windows 8.1. It will be publicly available as a 'preview' version from June 26th. If you really want to see what's new you can use the preview version but be warned if you try it you will need to reinstall Windows from scratch and all you apps and desktop applications to upgrade to the final version of 8.1 when it is finally released. I would advise holding on and waiting for the final version to be released properly and avoid the hassles. This will all happen through the Windows App store. The first question most people ask is 'have they put back the missing Start button on the desktop'. Well the answer is yes and no. They have put a "Start" button of sorts but it does not show a start menu like it used to in Windows - instead it takes you back to the colour tiles pages, but it appears to also allow you to go to a list view of apps if you want. Microsoft are being cagey about the details of how the new Start button will work but my guess is that it will be used to 'encourage' you back to the tiles because that is where Microsoft anticipate making a lot of money. They really want to wear users away from the old desktop (no money for MS). Having said that most people I meet prefer to use the desktop on a PC or a laptop. If, like me, you want to use the traditional desktop as your main screen and you would like a normal Start button with a start menu I recommend a third party program called Start8 which is produced by www.stardock.com. This makes Windows look, work and feel very much like Windows 7 and if you don't want

to you never have to see the tile again. At \$5 it is well worth investigating (there is even a free trial version so you can try before you buy). So what else is there to look forward to in Windows 8.1 ... well a new version of Internet Explorer (version 11) which they claim is a lot faster. It needs to be because current versions are lamentably slow compared to Google Chrome and Firefox. There are other enhancements coming but having watch a Microsoft presentation they mostly seem cosmetic changes aimed at letting people customise things a bit more. Final words - warning ...

1) Scams seem to be doing the rounds still, especially telephone cold calling. I have had a number of people ask me about phone scams this month. Please don't let people you don't know con you into letting them into your computer or get your card details.

2) Yahoo and BT still seem to be having real problems with their email systems. Hackers are still breaking into accounts and sending out loads of spam to your address book. It is really too bad as this has been going on for over a year. A number of people contacted me about this - there is nothing you can really do except complain to BT or Yahoo if you are affected and change your password. The only alternative is to change your email address.

That's it for this month. As always do drop me an email via my website (www.dalescomputerservices.com) if you have a question or comment. **Carol Haynes**

BEAUTY OF THE YORKSHIRE DALES IN THE FRAME

Stunning photographs of wildlife in the Yorkshire Dales will be on show in a special exhibition in Bainbridge over the summer.

The Yoredale offices of the Yorkshire Dales National Park Authority will be displaying images from Carperby-based wildlife photographer Simon Phillpotts (correct). His exhibition will be the latest in a series staged in the reception area of the offices, which are open between 8.30am and 4.30pm, Monday to Friday. Richard Burnett, the Authority's Director of Corporate Services, said: "Simon has produced some amazing photographs that capture many of the special qualities of this National Park. "We hope they will be of interest to everyone who comes into the offices over the next two months." Simon has recently appeared on BBC's Countryfile and is in the Series 3 of ITV's 'The Dales' with Ade Edmondson. He is also a co-founder of the community-led Wensleydale Red Squirrel Group (www.wensleydalersg.co.uk), which aims to conserve and expand the range of Red Squirrels in the Yorkshire Dales. He runs Wild Dales Photography with his wife Sarah, producing wildlife images, prints and greetings cards and running photographic workshops and short break holidays in the area. "The Dales provide an amazing variety of wildlife habitats, which means I never have far to travel for some of some favourite subjects such as Red Squirrel, Grouse, Dipper and Hare," he said. His images have been highly commended in the British Wildlife Photography Awards and appear regularly in the national and local press, in magazines

and on greetings cards, including for the RSPB, RSPCA and Friends of the Earth. The exhibition will run from May 31 to August 1.

WE'VE DONE IT AGAIN!

The Dales Countryside Museum in Hawes has won a top national award for the way it looks after its visitors - for the second year running. The Museum, which is owned by the Yorkshire Dales National Park Authority (YDNPA), has yet again been officially recognised as a tourist top spot by Visit England and has been awarded its Visitor Attraction Quality Assurance Scheme mark. The scheme is managed by Visit England and involves a network of regional assessors who make site inspection visits. Museum manager Fiona Rosher said: "It's really good news that we have been given the quality mark for a second time. "It's a tribute to all the staff and volunteers who work so hard to make the Museum a dynamic place to visit and maintain the high standards of displays and exhibits. "We are constantly developing the Museum's potential as a major attraction in Hawes and the surrounding area, and the award is a reflection of that hard work." Ian McPherson, the YDNPA's Member Champion for Promoting Understanding, said: "The Museum is a treasure trove of exhibitions and features that bring the Dales past and present to life. On top of that, it is constantly providing a wide range of interactive activities that gives its visitors the chance to learn and understand more about the people and the beautiful yet fragile landscape of the National Park."

CRIME IN THE TWO DALES

Last month we received a further report of a stolen 4x4 vehicle and have also had several similar incidents across the Dales in neighbouring areas where Land Rover Defenders have been stolen. Please ensure that both property and vehicles are left secure. Suspect vehicles and persons have been seen in Arkengarthdale and there was also a reported attempt break-in to a an outbuilding in the area. Any persons and vehicles dealing with scrap can all be checked by Trading Standards to see if they are legitimate. More motorists face loosing their licences as North Yorkshire Police's summer drink and drug driving campaign enters its second week. If you want to provide information about someone you suspect of driving whilst under the influence of drink or drugs, contact North Yorkshire Police on 101 - select option 1 - and pass information to the Force Control Room staff. If you wish to remain anonymous, Crimestoppers can be contacted on 0800 555 111. Thank you to all those persons who took the time to report various incidents and sightings of possible suspect persons and vehicles. PCSO 5550

NEW FACES

Gayle Mill's heritage education and training project which began over 2 years ago has been successfully managed and delivered by Samantha Jennings. The opportunity for schools to visit Gayle Mill and learn about its significance in local history, textile manufacture, electricity generation and wood working has proved to be popular with pupils, parents and teachers alike. These enjoyable visits have been tailored in line with the National Curriculum with specific reference to

History, Science, Art, Design and Technology. Samantha has also visited schools either at their assembly or for a specific class to demonstrate how water power works with a model. The project is also popular with young people and adults who have enhanced their knowledge of traditional crafts through various demonstrations and hands on workshops. Everyone associated with Gayle Mill wishes Samantha well as she is soon to begin her maternity leave. In order to complete the project (whilst Samantha is otherwise occupied) additional funding has been sourced from the Yorkshire Dales LEADER programme to employ two part time staff. Sue Stokes and Laura Hodgson will work together to enable Gayle Mill to deliver the rest of the programme. William Lambert, Chairman of Gayle Mill Trust said; 'We all wish Samantha well as she moves on to a new chapter in her life, and welcome Laura and Sue to the team. We are very excited to see the LEADER project through to its completion this December.' Sue has been involved in with Gayle Mill Trust in recent years as a volunteer and will mainly be working on running the Heritage Skills events at the Mill. Laura is new to the team; she lives in Richmond with her two young sons and will mainly be running the education side of the project, working with local schools. There are a variety of heritage skills courses planned at the mill for the rest of the year including blacksmithing, stone slate roofing, printing a cotton bag and other heritage crafts. You can book a course or plan a school visit by contacting Sue or Laura at Gayle Mill on 01969 667320 . learning@gaylemill.org.uk

Under 12's

As we move into the short close season, we put out a final plea for more coaching support. If you are passionate about football and want to put something back into the game for the youngsters and can give one evening, probably Friday, and Sunday mornings to coach/manage a team please contact us otherwise we are going to have to turn away children who want to play football. You would have to undergo a CRB check. Arm chair footballers are also most welcome to help with administration. We do provide appropriate training.

We also welcome new players, particularly those who will be under 10 on 1st September for whom we have excellent coaching available

DALES CRICKET CLUB -

great start- great sponsors!

Our local cricket club has made one of their most successful starts to the season in the Darlington and District League. At the end on May they remain unbeaten and have progressed into the semi final of the league cup! The recent win over local rivals Barningham was particularly sweet and all players strove hard to ensure a comfortable and sound victory. Solid performances from many players have been responsible for this success but

mention needs making of the contributions from Chris Hardwick both with the ball and bat and from Jon Simpson, Nigel Winter and Tom Hollingsworth, apologies for not mentioning others. The inclusion this season of Sam Winter who was barred due to age last season gives support for the youth initiative of the club. His skills shown for the Yorkshire Under 12's will hopefully be passed to the more senior club players (one hopes). There is an air of anticipation and close camaraderie this season and it is of note that the number of sponsors has also increased giving the club a more stable financial footing. You may have noticed the promotional sign for the club on the Reeth Bridge which details the names of sponsors for each home game. Local businesses (and indeed residents) who show financial support for this long established local club are now rewarded by having details of their business displayed on this board and also on a similar board at the cricket field.

The club has a new website at www.DalesCricketClub.co.uk; where all club news including fixtures, results, photos, sponsors, a blog and much more can be found.

We would like to thank our sponsors for this season so far who are: Rowena Hutchinson, (Red Lion, Langthwaite), Norman Brown Estate Agents and Harvey Robinson (Reeth Garage -Arkengarthdale Road).

Any business or individual wishing to consider sponsorship or supporting the club by other means is asked to contact the secretary, Pete McKay on 884675 or cricket@reeth.fsbusbusiness.co.uk

REETH AND DISTRICT GAZETTE LTD

Swaledale Mountain & Cave Rescue Team is a registered charity, which provides mountain and cave rescue within the Swaledale and Wensleydale. The team is made up of

highly trained volunteers who are available, any time day or night, in any weather. SMRT provide a 24 hr, all year round rescue service.

CALL 999 and ASK FOR NORTH

YORKSHIRE POLICE

and ask for MOUNTAIN or CAVE RESCUE

Each month in the Gazette we'll bring you an update of Rescues & training. If you would like further information, or would like to help the team with fundraising, please visit our web site or drop a few coins into one of our collection boxes in the local pubs & shops.

Incidents & training May up to 9th June 2013: Total incidents for 2013 = 33

Total Incidents for 2012: 41, approximately 3500 rescue person hours

Total Incidents for 2011: 31, approximately 2000 rescue person hours

In the first 1/2 of 2013 we have undertaken almost our average annual number of call outs! Thanks to all team members, families & employers for making this possible. This places an extra demand on the team for fund raising as well as actual rescues.

Another busy month for the team with 5 incidents:

08/06/2013 (33) 15.30hrs: The team was called to rescue a walker, who had a hip injury, near the river in Wensleydale. The team treated the casualty & evacuated to road Ambulance. (then back to join the rest of the team at the Swaledale Marathon)

08/06/2013 (32) 08.00hrs: The team

provided rescue cover for the annual Swaledale Marathon. The team evacuated a person suffering from heat exhaustion above Great Punchard.

27/06/2013 The team provided medical cover for the Finghall annual Barrel push.

26/05/2013 Team training was medical skills around Tan Hill

18/05/2013 (31) 14.50hrs: The team were called by the Police along with the fire service & Police helicopter to search & rescue 2 canoeists in difficulties south of Richmond, both casualties were located & evacuated.

20/04/2013 (30) 17.35hrs: The team were called by the Ambulance service to rescue an injured mountain biker on the Pennine Way near Tan Hill, the casualty was treated by YAS Paramedics & evacuated to Helimed 98 for transport to hospital

10/05/2013 (29) 09.00hrs: The team provided safety & rescue cover again for the Nutcracker mountain bike event. A number of incidents attended.

Thanks to the Farmers Arms Muker for raising £96 from the quiz* *Keld Lodge collecting box raised £146.22* *The Gift Shop, Reeth collection box raised £23.65

We have a flag day in Richmond on Sat 27th July Want to help but don't fancy going on the hills? Then why not join our supporters group? Details on our web site and Facebook page. All money raised is used to pay for insurance, maintenance and running of our three emergency vehicles, operating and up keep of our base, and the replacement of rescue and medical equipment.

The meadows are now starting to grow ready for winter feed, please keep to the footpaths when crossing farm land.

If you would like a collecting box for your place of work, drop us an email

THE SWALEDALE MUSEUM in Reeth

The July Friends of the Museum talk will be on Wednesday 17th (NOT on 10th as previously advertised) by Andre Berry who will be looking at local peat spades. Commercial-scale peat cutting on lowland bogs has frequently made the headlines in recent years because of concerns about the damage to internationally important wildlife and its habitats. As part of the annual cycle of land use, however, hand peat cutting was simply part of everyday life for centuries; because of this, its scale and the significant changes it made to our landscape are often overlooked. This talk will look at the tools, techniques and landscapes of hand peat cutting, with a focus on the Yorkshire Dales, but encompassing northern England more generally and Wales. Although trained as an Agricultural Botanist, André Berry has spent most of his career advising on the management of archaeological sites and historic landscapes. So if you have a peat spade bring it along! Our August talk is on 7th by Stephen Eastmead who will introduce the new online digital archive online. Stephen has scanned our large collection of local photographs onto our archive website, and will be selecting a range for your edification and delight! We hope to update our information via audience response! The third of three seminars on objects found locally that give special insight into the history of Swaledale and Arkengarthdale is on Saturday 6th July looking at Medieval Glass Fragments from Marrick Priory deposited in the Swaledale Museum by the Rev. Bailey in 1978, and simply described as 'Medieval Glass from Marrick Priory'. The sessions will take place in the Swaledale Museum, Reeth: 10.30 - 12.30 beginning with coffee/tea in the Museum at 10.30 am followed by

presentations and discussion, and finish at 12.30. Tickets: £10 in advance; (£8 to SWAAG members and Friends of the Museum) £12 on the door, includes admission to the Museum, coffee and tea, and a reading list. These have been very popular so do book early! We have a Programme of Visits working in conjunction with the Reeth & District Community Bus. On Saturday 13th July we will be following up Dr Hope's tour of Dr Speirs's medical bag with a visit to the York Medical Society. Hidden away in the heart of York many will have passed this beautiful building by. Guided by Drs Hope & Scott we will have the opportunity not only to see the elegant historic rooms, but also to see their rare and varied collection of medical implements. On 10th August we will be visiting the Lindisfarne Gospels exhibition in York, and on 7th September the Earby Museum of Lead Mining near Skipton with a special guided tour by Dave Carlisle. Please contact us if you are interested in joining us on any of these outings. On 30th July we have the Reeth and District Community Bus AGM in the Museum, all welcome. Our Third Great Annual Tea Party in the Community Orchard in Reeth is on Saturday 17th August 3pm-6pm. Please come and support us and enjoy some tasty delights, we are sure it will be sunny! Don't forget that we are open everyday from 10am until 5pm except Saturdays until the end of September. Contact Helen Bainbridge on 01748 884118 or e-mail museum.swaledale@btinternet.com for more information and booking. Look at our website www.swaledalemuseum.org for more details, and follow us on Facebook!

GROWING NATIVE PLANTS FOR **LOCAL WILDLIFE PROJECTS.**

Native plants grown locally from seed collected from plants growing locally are the best possible plants for planting out in wildlife projects. Would you and others you know be interested in collecting, sowing and growing on seeds from plants in the local area? The basic idea at the moment is for people to grow small, manageable quantities of plants at home or where they have space. The amount and type of involvement will be up to you and so long as we can co-ordinate everyone's efforts then we should be able to match up projects with plants. The plants can be grown for specific projects or for more general availability and if people are growing small amounts based on the space they have available then a project may be supplied with plants from a number of different growers. Comprehensive advice, practical help and demonstrations can be organised. Depending on the levels of interest and the number of people wanting to be involved it may be possible to develop larger growing projects so if you are keen on helping to maintain and or enhance wildlife habitats in the National Park this may be a way that you can contribute and it is accessible to everyone of any age and ability. Funding is likely to be available from the Parish Wildlife Project fund and depending on the levels of interest further funding could also be sought from other sources. If you are interested please contact me and we will see what we can organise. Mark Hewitt Wildlife Conservation Officer Yorkshire Dales North Yorkshire BD23 5LB.

NEW WEBSITE SHOWCASES NATIONAL PARK'S NATURAL WORLD

Local information on the flora and fauna found in the Yorkshire Dales National Park is now available on a new website. Called 'Nature in the Dales', it has been created for anyone interested in wildlife and wildlife conservation in the National Park from visitors and naturalists to professionals and students. And it has already won the praise of TV presenter and environmental campaigner Prof David Bellamy. Nature in the Dales is the website of the Yorkshire Dales Biodiversity Forum. It is hosted by the Yorkshire Dales National Park Authority (YDNPA), which also funded the design work, and its content has been written and illustrated by a wide range of organisations and individuals – the very people who love this landscape. The website – at www.natureinthedales.org.uk – showcases local information about 150 of the species and 14 of the habitats found in the special landscape of the National Park accompanied by 300 stunning images, generously donated by local naturalists, landowners, visitors, academics and conservation professionals.
