CHEAP PETROL DETOURS WASTE OF TIME

Making a detour to find the cheapest petrol station is a waste of time and money, research has found.

For an average motorist the saving generated by a five pence a litre discount will be wiped out by a 10-mile drive to the forecourt. The owner of a gas-guzzling "Chelsea Tractor" will be out of pocket after a detour of only five miles. Despite this drivers are still going out of their way to make savings, even though they are proving a false economy. Forecourt prices can vary considerably according to local market conditions, which can mean that filling up in one town can be far cheaper than in another a few miles up the road.

The AA, which monitors fuel prices closely, says they are often driven down by the presence of a supermarket selling cheap petrol in the area. One study showed one in seven drivers would make a 10 mile detour to save five pence a litre.

Another nine per cent, found in a survey by Gocompare, would travel more than 20 miles.

The study also found drivers were confused about how fuel efficient their cars were. This was because efficiency is quoted in miles per gallon, while forecourts now sell fuel in litres.

UPPER DALES FAMILY HISTORY GROUP

Our March speaker was Paul Dryburgh from the Borthwick Institute of Historical Research who gave us an entertaining introduction to the history of the Institute and the resources they have there which are available to the public.

The collection in the Borthwick dates back as far as the 13th century and was once the archive of the Archbishop of York. The main documents there are church related, including copies of parish registers, marriage bonds, probate records and cases which were tried by Church courts. They also hold records of some key businesses from the area, such as Terrys and Rowntrees, and of York hospitals and asylums.

Paul gave a detailed explanation of the various documents and what could be found in them at various dates - including a warning about which ones were in latin!

The next meeting is on Wednesday, June 26, at 7.30pm in Harmby village hall near Leyburn. The speaker is Suzie Lennox on 'Bodysnatching in the North of England'. Suzie will be looking at the period from 1740 to 1832, considering the reasons behind the phenomenon, how it was done and some of the, not always very effective, deterrents employed against it. Contemporary newspaper reports and other documents often quote the name of the disinterred and where possible Susie links these with pictures of gravestones and register entries, highlighting examples from the North of England and some of the provincial gang members and individuals operating during the period. Entry is free for members and non-

members are very welcome at £2 each. For further details see the website at www.upperdalesfhg.org.uk or contact Tracy Little 01748-884759.

THE WENSLEYDALE TOURNAMENT OF SONG

The Annual General Meeting of The Wensleydale Tournament of Song will take place in the Methodist Schoolroom, Leyburn on **Friday 14th June at 7.00pm**. Everyone is welcome. Please come along to this important meeting and help the committee to shape future festivals.

ARKENGARTHDALE METHODIST CHAPEL

Arkengarthdale Methodist Chapel will hold their traditional Spring Bank Holiday Service on Sunday 26th May at 6.30pm. This year the service will take the form of a Songs of Praise, led by Mrs. Daphne Clark. In keeping with tradition there will be singing on the chapel steps after the service. This will be followed by refreshments. On Monday there will be Afternoon Teas served in the chapel and the usual stalls. The afternoon's proceedings will be opened by Mrs Pauline Oldershaw. Everyone welcome.

SWALEDALE MUSEUM in Reeth

Our Friends of the Museum talks continue with a rather different presentation on Wednesday 19th June at 7.30 pm at Fremington Sunday School. Dr Geoffrey Hope (assisted by Nurse Nicky) will give us a 'A Tour Round Dr Speirs's Medical Bag'. Dr Speirs's sister gave the Museum a wide range of rather gruesome looking instruments and Dr Hope has kindly agreed to delve his hands into the Collection to reveal their uses and context. Many of you will remember Dr Speirs, who was the GP in Swaledale between 1907-1963. This talk will be followed up with a visit to York Medical Society on Saturday 13th July, a rare opportunity to have a tour of this historically important place. The July talk will be on Wednesday 17th July (NOT on 10th as previously advertised) by Andre Berry who will be looking a local peat spades. So if you have one, bring it along! His research on Swaledale and Arkengarthdale is part of a book on the origin and design of these objects, which seem to have come, like our dialect, from Scandinavia. (Friends £3 Visitors £4 all welcome - bring your surgical gloves!) Tickets for the Second Marvellous Magic Lantern Slide Show in Reeth Memorial Hall Saturday 15th June 7.00 pm are now on sale from the Museum and Reeth Post Office for £8. You might also want to put our Local Archive Day at Low Row Institute in your diaries for Saturday 29 June 10.30 -3.30. Speakers include Christine Hallas, Jane Hatcher, Alan Mills and Keith Sweetmore. As this event is in celebration of the contribution of Elizabeth Berry to our knowledge of the history of the Dales, the Swale Singers (of

which she was a founding and enthusiastic member) have been invited to give us a short lunch time concert. The second of three seminars on objects found locally that give special insight into the history of Swaledale and Arkengarthdale is on 22nd June. This seminar will discuss the results of work by SWAAG - the Swaledale and Arkengarthdale Archaeology Group - in 2009-2013 on a site at the Hagg near Fremington. Stephen Eastmead will introduce the site and surrounding area and focus on the excavations of 2012-13 (the latest scheduled to finish the day before the seminar) which have revealed a Romano-British settlement of circular structures occupied until towards the end of the 4th century: few such late dates have so far been found in the Dales. Peter Denison-Edson will then discuss the late-Roman pottery (principally Crambeck and Huntcliff-style ware) and glass finds from the site and the possible implications for the interaction of the occupants with the Roman economy, society and culture. The third seminar will be on Saturday 6th July looking at Medieval Glass Fragments from Marrick Priory deposited in the Swaledale Museum by the Rev. Bailey in 1978, and simply described as 'Medieval Glass from Marrick Priory'. All sessions will take place in the Swaledale Museum, Reeth: 10.30 - 12.30 These events will begin with coffee/tea in the Museum at 10.30 am followed by presentations and discussion, and finish at 12.30. Tickets: £10 in advance; (£8 to SWAAG members and Friends of the Museum) £12 on the door, includes admission to the Museum, coffee and tea, and a reading list. Book all three at the same time for £25 (20 to SWAAG

members and Friends of the Museum). Places are limited. We have a Programme of Visits, working in conjunction with the Reeth & District Community Bus. Places will be limited. The first is planned for Tuesday 18th June: Abbeyhorn Works, Holme, Carnforth & Wreay Church, Cumbria: The Swaledale Museum has a small group of horn objects. This visit is organised to help us understand how they were made. In 1991 Paul Cleasby took over the Abbeyhorn Works which traces its descent back to 1749, and uses traditional methods to make horn wares, like bowls and spoons. This visit will include a tour of the workshops and a short history of the firm. In the afternoon we will visit Wreay Church designed by Sarah Losh, the subject of Jenny Uglow's most recent book, *The Pinecone*. Learn more about this extraordinary church and its unusual and visionary architecture, and its designer. Our Third Great Annual Tea Party in the Community Orchard in Reeth is on Saturday 17th August 3pm-6pm. All warmly invited, and we are sure it will be sunny! Prizes for best dressed lady, gentleman and child! Don't forget that we are open everyday from 10am until 5pm except Saturdays until the end of September. Contact Helen Bainbridge on 01748 884118 or e-mail museum.swaledale@btinternet.com for more information and booking. Look at our website www.swaledalemuseum.org for more details, and follow us on Facebook!

REETH AND GUNNERSIDE SCHOOLS

Our Pink Day fundraiser was a huge success and we are very grateful for the wonderful support we received from the community. People came from far and wide

to support our efforts and by the end of the day we had raised nearly £600 for Breast Cancer Research! Thank you to all who made this day a success and most especially to Louise Metcalfe and the Friends of School. Early in the term Mr Robin de Cartaret visited us. Robin is an environmental scientist with a passion for encouraging people to make small changes to the way they live and work, which together will have a big impact on our future. Robin ran a training day for staff and also a workshop day for the children. We are very grateful to Mr Harvey of Gunnerside for supporting the schools by enabling us to have these workshops. They were enjoyable and inspirational. 'Zoolab' came to see us too, bringing a wide range of creepy-crawlies as we explored minibeasts and habitats in science. The chance to hold a snake, a giant cockroach or a huge millipede was more appealing to some than to others, but everyone was keen to find out more about the diversity of creatures in our changing world. We have had a visit from an artist too who led workshops with each class about how our changing world has been portrayed over the years by famous artists. The chance for children to study classical paintings is a very important one in making them aware of our artistic heritage. In a couple of weeks time year 3 and 4 are off to M.I.M.A. in Middlesbrough, in early June we are taking part in a concert at Aysgarth Church as part of the Swaledale Festival, and before you know it there will be sports day - 19th June at Gunnerside School- do come along and join us for the afternoon and watch the races but remember to bring a chair!

REETH AND DISTRICT GAZETTE LTD

REETH PARISH COUNCIL April 22

Skips The company which had damaged cobbles in Silver Street with a skip would be asked to reinstate the stones.

Street Lights The clerk had asked Highways to paint the new galvanised lamp post at Fremington to match the existing ones. Coun Frankland reported that the light in Langhorne Drive was still out of order.

War Memorial The clerk was following up advice on additions and refurbishments to the War Memorial.

Tour de France Representatives from the council had attended the recent Tour de France roadshow. The organisers would be contacting individual parishes in the near future regarding planning for the event. County Coun John Blackie reported that there would be a fund for parish councils and other bodies to bid into to finance activities to promote their communities during the Tour.

Litter Bins The clerk would liaise with the green wardens over possible places to site an extra litter bin on the green.

Memorial Hall A request for a grant to help with improvements at the Memorial Hall would be put on the agenda for the next meeting.

Village Green Temporary arrangements would be made regarding cutting the green for the coming year and the work would be put out to tender in good time for the next season. Couns Allinson and Frankland reported that work on the three bench seats was well under way. Some of the flags on the bandstand were loose and a number of cobbles around the green needed repairing.

Playground Documents were signed transferring ownership of the playground to the parish council from the original Reeth Playground Group.

Highways A number of items would be reported to Highways. The wall at Fremington had not yet been repaired and the saplings growing out of Grinton bridge had not been dealt with. The parapet of the bridge was also in need of repairs. The Silver Street sign was also still missing.

Richmond Road It was noted that the traffic lights on the Richmond road were often out of order or not working correctly. As yet there was no further information from Highways on plans for repairs to the two stretches of road concerned.

Parking Residents would be reminded that it was not permissible to use road cones to reserve parking areas outside property on the High Row.

Mobile Skip Coun Blackie said that there would be another mobile skip on the green for large household rubbish from 9am to 1pm on Saturday, July 20 and then in early November just before the bonfire.

GRINTON PARISH COUNCIL MAY 6

Election of Officers Coun Harold Brown was re-elected as chairman, with Coun Brian Sunter as vice chairman and Reeth Memorial Hall representative.

Parking Assurances had been received that the Swaledale Festival organisers were doing all they could to minimise disruption in the village centre from parking during concerts and that measures were in place to achieve this.

Yorkshire Water Following enquiries from the clerk the account had been credited in respect of drainage.

Archaeology Project The council would send a letter in support of the Swaledale and Arkengarthdale Archaeology Group's bid for Heritage funding for the Big Dig project.

Bus Shelter The clerk was obtaining quotes for repairs to the bus shelter and benches in the parish.

Tour de France Notice had been received from the Yorkshire Dales National Park office that the local park ranger could be contacted for help and advice regarding the 2014 Tour de France. Details were requested of any events which the parish council might be planning for the occasion. District Coun Malcolm Gardner advised that there would be a source of funding for parishes to promote their own area and that discussions were already going on regarding car parking and access to accommodate the large number of spectators expected. The Tour would be put on every parish council agenda from now

Accounts The accounts for the current financial year were adopted.

Highways Coun Gardner reported that the Grinton village sign had now been fixed in place. No further information was available on the sections of the road to Richmond which were subsiding while investigations were taking place.

County Council Councillors would send their congratulations to John Blackie on his recent re-election as an Independent councillor to the county council.

Annual Parish Meeting Coun Alderson would tidy the outside of the institute.

Nothing further had been received from Yorkshire Water regarding the exposed pipe over the beck. The clerk would pursue this.

The Memorial Hall accounts were not presented as the Annual General Meeting had been postponed due to bad weather.

Next Meeting

The next meeting is at 7.15pm on Monday, July1, in the institute.

Garry Shepherd, Barbara Dent and Alex would like to thank the many people who have helped us all following the sad loss of baby Freddie.

Also for the many cards, flowers, messages and food. Your support is helping us through this sad time.

We are arranging a coffee morning at the Parish Hall, Barnard Castle (near the buttermarket) on Saturday 15 June, 10-12, to raise funds for Stillbirth Awareness and for James Cook University Hospital. If any of you are able to make it over it will be lovely to see you.

The heritage of dry stone walls in the Dales

Kevin Cale

As they snake across the valleys and moors, dry stone walls are one of the most iconic features of the managed historic landscape of the Yorkshire Dales. In this talk Kevin Cale will introduce the rich heritage resource that they provide us with by drawing on Mashamshire case studies. He will then go on to consider where to collect evidence for wall studies, look at wall chronology, and also describe features found in walls. In the final part of the talk he will look at management and conservation issues as he discusses the future of dry stone walls. Professional archaeologist Kevin Cale is currently the director of Community Archaeology Ltd, a company that has developed from his passion to involve the public in the heritage of their local area. His aim is to inspire groups and schools to record and hand on their past by getting involved in practical activities. He has recently worked with the Bordley Township Project and in 2012 ran a day school there on dry stone walls. Annual membership of the group is £10 and visitors are welcome to attend individual meetings for a fee of £3. For further information, please contact Tony Keates 01969 640436 or email dotandtonyk@btinternet.com

CRIME IN THE TWO DALES

Over the last two months despite poor and at times extreme weather conditions we have still received several reports of incidents of theft .By ensuring property both in and out side of the home is secure and safe will help prevent such incidents occurring and make it difficult and less desirable for thieves.

A garden shed was broken into overnight and a petrol mower and petrol strimmer removed in Muker, there was an attempt made to break into another shed in Marrick but thankfully nothing was stolen. In Angram a Sthil saw was reported as stolen. A mountain bike was removed from a property in Fremington and a further mountain bike was taken from a property in Reeth. Suspect vehicles have been seen in Grinton and Crackpot . We received reports of fish sellers in Grinton travelling around in a van that had no signage on it, some sellers are legitimate and we can always check with Trading Standards to ensure that in fact they are. In Gunnerside a Landrover was stolen and a Catalytic converter was stolen from a vehicle parked in Low Row. IN several areas we have had reports of traffic lights not working and in some instances this is because of the theft of the batteries rendering the lights useless. Lastly we have had sightings of trail bikes riding recklessly across public rights of way and on private moorland, there are specific designated routes for off road bike riders so anyone seen ignoring the restrictions should be reported to the police immediately so that they can be dealt with and the general public and wildlife can remain protected. Anyone with information is encouraged to

report it to North Yorkshire Police who can be contacted by dialling the number **101** and asking for option 1.

REETH BRASS BAND - AGM

All band officers and committee members were re-elected en-bloc from 2012. They include: President-David Allison, Vice-presidents-Mr J Alderson, Mr. D. Hicks and Mrs. R. Sykes. Chairman-Irwin Blenkiron, Musical Director-Brian Hicks, Bandmaster-Paul Hutchinson, Secretary - Sarah Allison and Treasurer-Kevin Hutchinson. Committee members re-elected are John Wilkinson, Pru Travers and Andy Purcell.

The recently formed "new starters group" is being tutored by David Hodgson and Paul Hutchinson. Three youngsters are already involved. They meet at 7pm on Tuesday evenings before the main band practice, in Reeth Memorial Hall. Chairman Irwin Blenkiron emphasised that "It is important to encourage this group and that it is hoped that in future more members would be recruited. A number of brass instruments are available and as well as these tuition is free. It is not envisaged that the group will be made up of children alone, all ages are welcome. The brass band movement is made up of families (ages 8 to 80) having fun and making music together to entertain others", he said.

The Musical Director Brian Hicks and Bandmaster Paul Hutchinson in turn thanked the band for all their hard work, dedication and commitment over the last year. Previous and future engagements were discussed in depth. Treasurer Kevin Hutchinson reported that two charity concerts undertaken in March 2013 had raised over £2,200 for local, national and international charities. These added to the

two charity concerts in 2012, had raised a total in excess of £4,000 in the year ending 31st. March 2013.

President David Allison rounded off the meeting by thanking all involved in a wonderful effort for charity and for all other engagements carried out over the last twelve months. He wished everyone a happy year of banding.

Under 12's

On 14th April we played Catterick Garrison at home. Dales started slowly albeit playing against a strong wind. Garrison tended to have the upper hand most of the first half and soon opened the scoring. The defence put up a good showing but conceded another before half time. Dales came back re-invigorated but a lapse enabled Garrison their third. Dales then took the attack to Garrison although the wind had abated and after 2 good long shots just missing the goal, Scott Alderson scored a cracker. This put more heart into Dales who came right back into the game for Scott to get a second. There followed end to end really exciting football but Dales fought hard and were rewarded by Scott's hat trick. Exciting football followed in the last 10 minutes while both teams looked for the decider but the final whistle went. 3-3 draw and a point which had looked most unlikely. Garrison are a formidable squad and this was junior football at its best.

On 17th April we played a midweek evening match at Reeth v Spennithorne. Dales started well but Spenni soon started to take the upper hand. Nathan Brown in goal made some excellent saves but 2 goals were conceded in the first half and Spenni scored early in the second half. Dales did not let their heads down and soon fought back taking the game more to Spenni. This

was rewarded by a powerful strike in the top left of the net by Scott. Ben Webster and Kyle Galloway played well in defence. Dales kept up the pressure and a goalmouth tussle gave us an own goal when Spenni failed to clear. A re-run of Sunday was on the cards but despite every effort, Dales had left it too late for the deserved equalizer. Lost 2-3. On the Sunday we played Spennithorne again away. I only saw the first half and we played without our regular goalie. In the first quarter Dales played very well taking the game very much to Spenni but we then conceded 3 goals. In the second half Kyle and Tom Lillie were notable in defence and Spenni failed to score. Relative newcomer Jasper Worrall got game and shows much promise for next season.

On 12th May we played a double header at Richmond Town but at the time of writing there is some doubt on the validity of the games in which we lost both matches and this will be clarified next month.

Under 8's

On May 12th the League organized a tournament running alongside the League cup finals. This squad, under the coaching of Dave Andrews and Simon Ackroyd has really come on playing well as a team and we won 4 out of our 5 matches

Next season we want to try and run 3 League teams but **urgently need more adult coaching and other help** to keep football alive in the 2 Dales. We have a financially strong club with fantastic facilities. Please don't let us lose it.

Swaledale Mountain & Cave Rescue Team

a registered charity, which provides mountain and cave rescue within the Swaledale and Wensleydale. The

team is made up of highly trained volunteers who are available, any time day or night, in any weather. SMRT provide a 24 hr, all year round rescue service.

**CALL 999 and ASK FOR
NORTH YORKSHIRE POLICE**

and ask for MOUNTAIN or CAVE RESCUE

Each month in the Gazette we'll bring you an update of Rescues & training. If you would like further information, or would like to help the team with fundraising, please visit our web site or drop a few coins into one of our collection boxes in the local pubs & shops.

Incidents & training April up to 9th May 2013: Total incidents for 2013 = 28

Total Incidents for 2012: 41, approximately 3500 rescue person hours

Total Incidents for 2011: 31, approximately 2000 rescue person hours

In the first 4 months of 2013 we have undertaken almost 3/4 of our average annual call outs! Thanks to all team members, families & employers for making this possible. This places an extra demand on the team for fund raising as well as actual rescues.

Another busy month for the team with 4 incidents:

28/04/2013 Team training was Cave Rescue techniques at Devis Hole Mine

09/05/2013 (28) 09.30hrs: Contacted by

North Yorkshire Police to assist Scarborough MRT with an ongoing missing person search, as the search was been planned by the team leaders the Police stood us down.

21/04/2013 (27) 09.00hrs: The team provided safety & rescue cover for the Nutcracker mountain bike event. A number of incidents attended.

20/04/2013 (26) 13.35hrs: The team were called by the Ambulance service to rescue a fallen climber at Slipstone Crag, the team treated the casualty along side the air ambulance crew & raised the casualty on our mountain rescue stretcher up the crag & then a carry to the aircraft.

10/04/2013 (25) 16.05hrs: Team called to rescue an injured walker high in Gunnerside Gill, a slip had caused a hip injury. We attended & with the paramedics treated & evacuated across the gill to the Air Ambulance.

Thanks to the walking group with the casualty in Gunnerside Gill for the donation

Thanks to the Farmers Arms Muker for raising £184 from the quiz

Want to help but don't fancy going on the hills? Then why not join our supporters group? Details on our web site and Facebook page. All money raised is used to pay for insurance, maintenance and running of our three emergency vehicles, operating and up keep of our base, and the replacement of rescue and medical equipment. Its Lambing time so please make sure dogs are under control & gates are closed behind you! If you would like a collecting box for your place of work, drop us an email www.swaledalemrt.org.uk

REETH AFC

Following on from the win at Carperby Reeth's next match was an evening fixture away to Askrigg. In a close fought game Reeth took the lead with Karl Longden scoring from a ball knocked across the box. A minute to half time and Stevie Bainbridge added to the tally scoring from a through ball, giving Reeth a 2 -1 half time lead. Five minutes from the restart and Bainbridge lobbed the keeper to add his second. Askrigg fought back and it was only in the last ten minutes that Reeth secured the points with a goal from a Tom Wallis free kick and a last minute goal from substitute Steve Fleming. Final score 5-3 win.

With a total loss of form, Reeth's Saturday match was against Catterick Garrison Football Centre. A half time score of 3-0 was an early indicator of the full time score, a 5-1 loss had nothing to recommend it. Joe Woodall coming on from the bench scoring the consolation goal. This was a disappointing performance from the Reeth team. Man of the match Matt Baker.

With time running out, the end of the season had Reeth playing 4 games in a week with varying degrees of success. The first of these, away at Redmire saw an altogether better performance. Reeth took an early lead with a goal from Andrew Calvert from a cross. Shortly before half time Steve Fleming added the second when he lobbed the keeper. The second half Reeth maintained the lead with Redmire pulling one back giving a 2-1 win to Reeth. Man of the Match Steve Fleming.

Three days later the return fixture, a home against Redmire saw a total reversal

with Redmire coming out 1-0 victors with a goal on 20 minutes. Man of the match Andy Calvert.

Two days later and Reeth took to the field at home to Hawes United. Trailing 3-0 at half time the match looked to have been sealed by Hawes but John Williams, who has had an excellent season, does not lie down without a fight. A cross in from Steve Fleming and John's first goal was a header; a determined fast run by Andy Calvert and the subsequent cross and Williams scored his second. Hawes added to their tally before a shot from Steve Fleming was played out to Mike Snowdon who headed it over the goalie. With Hawes adding another two a ball in from James Keyse and Williams had his hat trick. A loss, but an entertaining game to watch with some excellent team play. Final score 6-4 loss. Man of the match John Williams

Two days rest and the last match of the season at home to Spennithorne. Joe Woodall opened the scoring for Reeth with a run up the left and a clean hit home. Celebrations were put on hold as within ten minutes Spenny brought the score level again for 1-1 at half time. Back onto the pitch after the break and Stevie Bainbridge gave Reeth the lead again which they hung onto to the final whistle. 2-1 win. Man of the match Jonathan Simpson.

For those that have come down and watched the lads play, there have been times when the football has been exciting to watch and times when we have held our head in our hands. Once the ball is on the ground and they start passing and playing as a team they are a match for most teams, work is needed on defending set pieces and we need to be consistent.

REETH AND DISTRICT GAZETTE LTD

A final mid league placing was a little disappointing as this Reeth team are definitely capable of more, with nearly all the lads signed on for next season let's hope they can build on the definite improvement shown this year. Club trophies were awarded as follows: Managers Player - John Williams, Players' Player - Andrew Clarkson and Most Improved Player - Joe Woodall

It only remains to thank the Manager Tel and Steve (Fred and Barney) for all the time and effort they put into the club, to Ray our gateman and John Calvert (JC) who has helped with readying the pitch for play and Bev, we'll miss our half time scones, roll on September. Finally a big thank you to our sponsor JRR who continues to support Reeth, it is always good to see him at matches when he is in the village and we congratulate his other team Wigan on their FA Cup win. Maybe Reeth can bring him a cup victory one day!

5 Pearls & A Piano & A Play
Sat 22nd & Thurs 27th June
at the Buck Hotel, Reeth

Don't miss out on an evening that guarantees a unique blend of musical entertainment, humour and a delicious supper in aid of the charity CLIC Sargent For Children With Cancer. 5 Pearls & A Piano have a completely new program of musical medleys in their signature style of 'anything goes', so expect an eclectic mix of songs from light-hearted comedy through to more poignant numbers. The Pearls are supported by the ladies of Reeth Artyfacts, who following their recent and incredibly successful multi-sell-out play 'All in Favour', are performing a new mini-play 'Rosie gives the game away'. Set in the late 40's at a ladies' Tennis game this comedy has some equally unforgettable characters including the pompous Lady Trumpington and fussy Mrs Bobbins to nosey Rosie - will she keep her sticky fingers clean or give the whole game away? Well of course we aren't going to tell you, all will be revealed on Saturday 22nd June and Thursday 27th June at the Buck Hotel in Reeth.....so book your tickets now!

Tickets £10 to include a supper, with a choice of lasagne or chilli. Doors open at 7pm for supper, the show starts at 8pm. Tickets available from The Buck Hotel in Reeth, t:01748 884 210 e: buckhotel@btinternet.com
